April 2020

Dear Parents and Carers,

We hope that you are safe and well in these challenging times. By now, you will have received your admissions pack from Tring School, containing information about our school and our transition programme and some paperwork for you to complete and return to us.

We wanted to write to you to reassure that we will be adapting our transition programme in light of school closures. We will work closely with the primary schools, as we do each year during the transition period, to ensure that we provide a supportive transition to secondary school for your child. Once we have a return date, we will action an adapted programme with the primary schools and share the details of this with you as soon as possible.

In the meantime, please could you complete and return the relevant forms included in the admission pack. This will ensure that we have the correct contact information for you and also help us to continue with this part of our programme.

We have previously written to parents about the Year 6 Chromebook Evening scheduled for **Tuesday 5 May at 7pm**. The purpose of the meeting is to discuss the Chromebook scheme and launch the devices that the school will be offering. This meeting will still go ahead, however, will now be presenting live through the following link https://www.youtube.com/watch?v=kjL7L3TYc_M, we hope you are able to join us. This link will also give you an opportunity to ask any questions you have during the presentation. All information on the scheme will be available on the Chromebook pages on the [school website](#). You can also find information on the [recognition](#) Tring School has received through its use of IT in the classroom. and if you have any general questions about the Chromebook launch you can also email chromebooks@tringschool.org.

As always, we hope your child is looking forward to joining Tring School and to assist any conversations you may be having, please let them explore our website to see all the activities and events that happen as this will help them become familiar with us <https://www.tring.herts.sch.uk/>.

Kind regards,

Lucy Williams
