Dear Parent/Carer,

## Year 7 MFL Vocabulary Tests

The Tring school MFL department firmly believes that learning vocabulary is the building block for all areas of communication - listening, reading, writing and speaking. Successful communication in any language requires a strong vocabulary foundation and for these reasons your child will have regular vocabulary tests as part of our language lessons. We would really appreciate it if you could help your child prepare for these tests by actively testing and practising the vocabulary with your child at home. An extensive knowledge of French/Spanish on your part is not needed in order to be able to support your child. For these tests, the pupils will be required to spell and understand the new vocabulary. Allowances will be made for pupils with SEN needs.

The vocabulary lists will be available on Google Classroom for the pupils to access and your child's teacher will inform their class when the test will take place. It will also be logged on Go 4 Schools.

If you have any further questions, please do not hesitate to contact me or your child's language teachers.

Thank you for your support.

Yours faithfully

Mrs Joan Baker  
Year 7 MFL Coordinator
